

# [PROJECT NAME]

## Design Document

### Purpose of this design document

- Confirm the overall objectives and learning outcomes.
- Confirm a list of SMEs to contact with job-specific or deliverable-specific questions.
- Confirm the scope of the deliverables to ensure milestones and deadlines can be upheld.
  - Change in scope can lead to changes in the launch date.
- Provide an estimated launch date.

### Learning Outcomes & Objectives

What skills and behaviors are learners expected to achieve at the end of this class? Objectives should be tied to business goals and KPIs.
